Kate,

Here is the original figure that was sent to me from some of my USGS colleagues in Anchorage, who have the geology GIS data sets. This is the only format that I have of this figure.

Hi Bob,

Would it be possible to get a high res version of the Fig 1 map in your revised Appendix H? We'd like to incorporate it into Chap 3 of the assessment.

Just let me know if you have any questions.

Thanks! Kate
